TAKE ONE, GIVE ONE

We all have pain, loss, or destructive behaviors that affect us. Living Free is a Christ-centered ministry to help you find support, hope, and healing. Take this card with you, or pass it on to someone who needs help.

At **6:30PM** we begin with music and a message or testimony. At **7:30PM** we have optional support groups available to help you with a specific area. Our support groups are important in helping with accountability as you move forward.

We offer care and classroom programming for kids from 6 weeks to 11 years of age while you attend service and group.
